My hope it has a name, the reason I believe
and it's written on my heart
It's flowing through my veins, just like a melody
Gives me faith so I sing

Ooh, here I am come take control
I want Your will not my own
If there's one thing that I know
Is that my God will never let me go

ooh, ooh, I know my God is always in control
ooh, ooh, I know my God will never let me go

My faith it doesn't shake, just like You never change

So in the less of me, be my identity
As I lift You up now
